Parents,

As we begin a new church year, let's get a few housekeeping items completed. If your child would like to participate in our Sunday school, Wednesday night or special children's events, we will need the attached emergency contact form and waiver filled out and returned to the church secretary's office. We will have printed copies in the breezeway, and in the welcome center. You can also print the form from our website www.goodhopepurvis.com under the children's event tab. This page will have any waivers specifically for special events that can be printed and turned in before said event.

The safety of the children attending Good Hope is our top priority. To ensure that safety, we are implementing a few changes regarding drop-off and pick-up during church service hours.

- If your child is attending one of our Wednesday night meals (these are only when school is in session – and not during any breaks), they will need to be accompanied by you or an adult on their pick-up list from the emergency contact form.
- Children need to stay with their parent or the adult they are here with until the time they can go to class. If you want them to play outside, an adult must be present on the playground area.
- Drop-off time to their class is 8:35AM for Sunday school and 6:20pm for Wednesday night classes. This time ensures their teacher is in their classroom and ready to receive your child. Please do not send them to class early since some of our teachers will not be in the classroom earlier than that.
- Pick-up time for Sunday school is when the bell rings. Please be prompt in picking your child up from class. Your child will not be released from class without an adult.
- Pick-up time for Wednesday night class is between 7:30PM. Please be on time to pick up your child, so the teachers and staff can get their children home promptly.
- When picking up your child, please park in the front and come through the church. If the weather is nice, they will be on the playground in the back. If the weather is inclement, they will be in their classrooms.
- The back parking lot is closed on Wednesday nights to ensure children playing outside are safe and vehicles are not coming through.

I appreciate your help in keeping these rules and protocols in place for the safety of all the children participating in our classes.
